METHODS FROM ACROSS THE USA AND CANADA

The #1 Selling Horse Book In Many Stores!

...the best selling book we have ever had in our stores. If you are heading out on the trails, this book is a must. (Sold more than 50 copies in eight months).

Bob Welsh, WELSH'S

....in the last four months we have sold 30 copies of the Blue Creek Outfitting book. The book is very descriptive and wonderful for the less experienced rider to understand. We have sold the book to all levels of riders/packers and all have found the book to be very educational....

Jae Jay, KEDDIES

....a best seller for us, the pictures and design are excellent. A practical and informative book, its about time!

Dawna, JENSENS WESTERN WEAR

....it has been a really good book for us, great for both novice and experienced riders.....you need to take this book along on your next trip....

Bob Hickman, HICKMAN SADDLERY

....we sold nineteen copies.....many of our customers enjoy going to the mountains and have used it as a resource.....an excellent book and we'll keep it stocked for our trail riding enthusiasts....

Michelle Treacy, COUNTRY JUNCTION CO-OP
